

Oslo 7/12

Mr. James Hagerty  
White House  
Washington D.C.  
US.

Dear Sir,

I am enclosing a resolution passed unanimously  
in The Norwegian Students' Association.

It has been impossible to deliver it by any other  
means, **your** Embassy in Norway has refused to help us,  
and the letter was returned from the home-town of  
Mrs. Bradley, her address being unknown.

So I hope you will be able to help us bring this  
enclosed letter to the notice of Mrs. Bradley.

Yours sincerely,

*Hans Frydz*

Resolution passed unanimously in the  
meeting of the Norwegian Students' Association 15. oct.

In the opinion of the meeting of 15. oct. of the  
Norwegian Students' Association, every human being,  
without regard to race, religious belief or social status,  
has a claim to the same legal treatment and protection.

The Norwegian Students' Association finds that this principle  
has been violated during the court proceedings which have taken  
place in connection with the Emmet Till case. At the same time,  
the Norwegian Students' Association wishes to express its sympathy  
with the mother of the boy, Mrs. Mamie Bradley.
