March 23, 1959 material
Reported March 23

Synopsis of Intelligence material reported to the President

IRAQ-UAR

Tensions continue on the Syrian-Iraqi border. Iraqi military units are concerned that the Shammar Bedouin, whom they have not yet been able to bring under control, are receiving equipment and support from just across the border in Syria.

Further virulent propaganda exchanges are taking place between the UAR and Iraq.

John S D Eisenhower
