SERIES III. SPECIAL CORRESPONDENCE SERIES, 1948-1979

Subseries A. DDE and MDE Letters, 1948-1979

4 DDE Letters, 1948-52 [Letters from DDE to McCann, thanks Major McCann for

assistance in public relations, remarks on changes on drafts for *Crusade in Europe*, comments on new football coach at Defiance College, SHAPE problems, McCann's assistance from 1945 to 1951, and health issues]

DDE Letters, 1953 [Defiance Choir at the 1953 Inauguration and gift of stock for the College]

DDE Letters, 1954 [DDE letter to McCann on death of Robert; English boxwood tree; gifts to Pete Carroll's children]

DDE Letters, 1955-56 [In a rare handwritten letter DDE denies newspaper story that said he was unhappy with McCann's work; McCann will need to leave White House to keep position as president of Defiance College]

DDE Letters, 1957 [DDE asks McCann to draft speech for DDE to use addressing the Fordham commencement on U.S. position in the world, mutual security, spirit of nationalism, under-developed peoples; invites McCann to stag dinner, May 29; football team]

DDE Letters, 1958 [McCann had suggested 10,000 exchange students between the U.S. and the USSR, DDE indicates we were having trouble getting the Soviets to agree to 20; Christmas greeting and thank you letter]

DDE Letters, 1959-60 [DDE in Augusta on a "work and play" vacation, 12-29-59; thanks McCann for draft for Catholic Charities speech]

DDE Letters, 1961 [DDE re trip to Mexico and health problems; McCann had an operation; Ann Whitman to McCann, she would rather have an operation in a hospital than spend another hour in "darkest dampest Gettysburg"; DDE comments on becoming a TV star; draft for Barnard luncheon talk]

DDE Letters, 1962 [DDE asks McCann for ideas for a speech to the Union League Club in Philadelphia, comments on pace of retirement; in letter dated 11-21-62 DDE offers advice to McCann on whether or not to keep his job as president of Defiance College, McCann was considering leaving because of demands for fund raising, DDE comments that he took the job at Columbia University with the stipulation he would not be required to raise money and ended up traveling around the country to do just that]

DDE Letters, 1963-64 [comments on speech at Defiance College; draft notes for commencement speech at Harvard; DDE planning trip to Mexico and MDE to Maine Chance in 1964; McCann resigned from Defiance College; DDE gives McCann a painting, "Salesman"]

DDE Letters, 1965 [DDE wants honorarium for foreword to Winston Churchill's book to go to two charities; Christmas greetings]

DDE Letters, 1966 [comments on message to Chicago Civil War Round Table; March 30, 1966, DDE sends McCann notes on "final stages of the "book."; comments on "mass protests" re civil rights and Vietnam War; DDE quotes from letter to Major General Geoffrey Keyes re "deportment in command"(September 27, 1943) and refers to question from President Roosevelt re Italian government (November 9, 1943), comments on soldiers and politicians; DDE letter re paper he wrote on Churchill and Marshall, comments on need to improve it and possibly make it a book, refers to U.S.;-British alliance and Newfoundland Conference in mid-1940 and the "Four Freedoms" and the "A.B.C. plan"]

DDE Letters, 1967-68 [DDE comments on producing a book called "Coalition"; reflects on differing opinions, frictions, and quarrels within the wartime coalition (January 21, 1967)]

MDE Letters, 1951-56 [postcard from Culzean Castle in Scotland, October 25, 1951; comments on trip to U.S. from France, on hearing McCann's son had leukemia, and DDE's enjoyment of painting; check for "This Week": Magazine to be used as donation to Defiance College; expresses appreciation for their taking on speaking engagements for DDE (1952); acknowledges anniversary greetings in 1955 and 1956; letters are usually handwritten to Ruth McCann]

MDE Letters, 1961-64 [MDE comments on getting organized at Gettysburg farm and anniversary dinner on the Santa Fe train, July 15, 1963; for 48th anniversary MDE comments on poem by Robert "Bobby" Cutler, dinner with General and Mrs. Heaton, luncheon with Admiral and Mrs. Strauss, and dinner with John and Barbara; poem, "I'm Fine" ...for the shape I'm in."]

MDE Letters, 1965-66 [letters are briefer and some are typed; letter on December 20, 1966 refers to their being at Walter Reed Hospital]

MDE Letters, 1967-69 [handwritten letter on "Ike's Farm" stationary, comments on *At Ease* and DDE's illnesses, August 31, 1967; letter, July 16, 1968, mentions DDE is in the hospital and "recovery is slow" and David and Julie will be going to California for GOP event; letter, August 5, 1969, MDE indicates she recently returned from Europe; letter, November 17, 1969, thank you for birthday wishes, mentions "there is a big void left in my life"]

MDE Letters, 1971 [MDE mentions going to Augusta in January letter]

MDE Letters, 1972-73 [remarks on Kevin McCann attending first graduation at Eisenhower College; comments on voting in the 1972 election; 1973 letter comments

on “trip of love” to Abilene, Ks. and Boone, Iowa.]

MDE Letters, 1974-76 [March 25, 1974, MDE writes note from Augusta, plans to return to Gettysburg in May, has been spending most of her time in the cottage reading and watching television; letter, November 18, 1975, MDE mentions they lived in 3 different houses during their seven month stay in Gettysburg (1918); October 14, 1976, thanks Kevin for talk he made at DDE’s statue]

MDE Letters, 1977-79 [letter of Feb. 10, 1977 states “A retirement home sounds good after being responsible for a house.”, mentions pipes freezing in her guest house and high cost of keeping her house warm; April 29, 1977 mentions writing while sitting in bed, indicates she has “dismissed” Delores and Sergeant Moaney, mentions she lost interest in the house after DDE died and she had “let them do as they pleased”, comments on heating TV dinners; June 11, 1977 MDE indicates her weight is at 103 pounds; 1978 note, MDE indicates she has been at Walter Reed for a week for a checkup due to low weight, mentions that she misses Sergeant Moaney and Delores; letter dated May 2, 1979 mentions Julie has sent her photos of their baby, remarks on an ABC “Ike” program that may be “untrue’ in places]

Subseries B. Cards and Gifts, 1952-1972

- 5 Cards and Gifts, 1952-59 [White House Christmas cards for 1956, 1957, 1958, and 1959; also 1952 private card]

Johns Hopkins Project, Copies of Documents, May 1942 (1)-(2) [shipping supplies for Bolero; Western European Theater of Operations; U.S. Army Objectives in the Pacific; western coast defenses; DDE, Assistant Chief of Staff, memo on threat in the Pacific, May 20, 1942; diary notes mention that Bolero Planning is not progressing, May 21, 1942; DDE flies to England in late May]

Johns Hopkins Project, Copies of Documents, June 1942 [minutes of meeting between Gen. Marshall and British officers, Sir John Dill, Gen. S. Brooks, and Gen. Ismay]

Subseries D: DDE Articles Subseries

52 “On the Writing of Advice,” Drafts (1)-(2) [draft article also labeled, “The Art of Reading the Future;” remarks on signature machines, denies he used them; remarks to the response to DDE referring to Eric Hoffer and his book, *The True Believer*; comments on volume of mail he received as President and during the Post-Presidential years; reference to “crackpot” letters; correspondence with George Allen]

“Monday Morning Quarterbacking,” Drafts (1)-(3) [one draft is labeled, “In Condemnation of Monday Morning Quarterbacking” and a second is labeled, “Monday Morning Quarterbacks Are Not Always Right;” reference to critics of George Washington and Abraham Lincoln; comments on Civil War activities in the Gettysburg area and references to errors due to the uncertainties of war; use of the words, “hawk” and “dove;” need for priorities on spending in Vietnam conflict versus race with Soviets to the moon; DDE holograph and annotations]

To Insure Domestic Tranquility, Drafts (1)-(8) [first drafts have title, “A Plan for Equality”; comments on ways to improve the slums and prevent riots; drafts date from August 28, 1967 to October 1967; need for cities to eliminate causes of injustice, improve housing, achieve progress in education, and provide work for unemployed; population explosion; local organization and leaders; causes of domestic disturbances; drafts grow from eight pages to 25; DDE holograph and annotations]

Subseries E: Bag of Worms Book Subseries, 1966-1967

53 Bag of Worms Book (Abandoned) [only the front cover of file folder]

Chancellor Adenauer [drafts of paper on Adenauer as postwar leader in Europe; Adenauer was disturbed that U.S. was considering policy to only defend Europe with conventional weapons; annotations]

Associates [five drafts of paper about people who influence his life, including mother, teachers, Gen. Marshall, Gen. Bradley, George Allen, Al Gruenther, Gen. Walter Bedell Smith, Pete Carroll, Everett Hazlett, Wayne Clark, Field Marshall Alexander, Spaatz, Van Fleet; annotations]

Omar Bradley [paper describes Bradley’s role in WWII; a “favorite” of Mr. Churchill; DDE saw him as honest, dedicated, capable; annotations]

Correspondence (1) [DDE is asked for books outside the Bible that had greatest effect on his life, he mentions *On War* by Clausewitz and *The History of the United States* by George Bancroft; letter to Senator Ernest Gruening re increase in the world’s population and need to stabilize it; comments on mail that he receives; drafts of a chapter on correspondence; copies of numerous letters to and from DDE]

Correspondence (2) [draft of chapter on correspondence; DDE received 60,789 letters and post cards in 1966; letter by DDE in regards to loss of a soldier in Vietnam; handwritten comments on many of the letters]

Correspondence (3) [3rd draft of chapter on correspondence; contains a sampling of letters received and sent, 1965-67; subjects addressed in some of the letters include moral strength of our country, situation in Vietnam, the electoral college; Eisenhower indicates he doesn't respond to letters with inflammatory and prejudiced views that are seeking to engage him in an argument; annotations]

Friends and Staff (Background) [comments on training and leadership during his military career and the need to change his leadership tactics upon becoming President, "command directives no more sufficed;" mentions officers who assisted him in the Tank Corps; comments re General Fox Conner and various able officers from WWII; holograph and annotations]

Hopkins, Harry [Eisenhower dealt with Hopkins while assigned to the Planning and Operating Division of the War Department in 1942; Hopkins could make decisions on behalf of the President and he was helpful to the War Department: holographs and annotations]

Looking Ahead, Latest Draft Only (1)-(5) [comments on the future of self-government in the U.S. and events and issues that are changing the American system, including Supreme Court decision on civil rights, control of interstate commerce; differences between Hamilton and Jefferson; the current liberal favors centralization and increased government programs; the conservative as DDE saw him didn't want to "turn back the clock" but the government should help people who really needed it and not those too lazy to work; 6 drafts for this article or chapter; comments on unrest and riots; modern young people; rate of change in our world; De Tocqueville quote; holographs and annotations]

Patton [comments on views he shared with Patton on tanks and how they should be improved and used; DDE rode horses with Patton, tells story about his horse, "Red;" Patton suggested to DDE that in the next war Ike could be Lee and he would be Jackson; Patton loved to fight with rapid mobile units; Patton's volatile nature caused a number of problems; holographs and annotations]

Personalities [winter of 1915-16, Captain Helms sent Eisenhower out with a company of 18 men to guard a railroad bridge, Ike ended up doing the cooking while in the field; others who help shape his career, Fox Conner, George Patton; Ike comments on his use of Major General Mark Wayne Clark in 1942; holographs and annotations]

role they played in WWII; Smith was viewed by some assistants as being rather harsh, he suffered from ulcers; 3 drafts; separate paper on Smith; holographs and annotations]

Carl Spaatz [paper on General Carl Spaatz as one of his associates; Spaatz had a high level of moral and physical courage, he avoided the public lime-light; U.S. versus British bombing tactics; brief introduction on “Writing a Memoir”; holographs and annotations]

Stimson [paper on Harry Stimson, Secretary of War; DDE comments on meeting he had with Stimson after the war in Europe was over, they discussed the development and testing of the atomic bomb, Stimson was for using it on Japan, Ike expressed several reasons for not using it; July 1967; holographs and annotations]

Writing a Memoir (1) [drafts of a Prologue or first chapter for a memoir or book; October 1966; possible topics, international alliances, the writing of advice, looking forward or backward; considering a “Grab Bag book;” writing is “a constant exercise in compromise;” “memory is an untrustworthy crutch;” comments on differences between writing *Crusade in Europe* with *The White House Years*; comments on General Grant’s memoirs; holograph and annotations]

Writing a Memoir (2) [drafts of first chapter of book, “Miscellany”, October 1966; comments on Grant’s memoirs; relationship with Winston Churchill; need for accuracy; DDE mentions he knows of a former public figure who lived a “double life,” he has no intention to publicize it; Ike critical of writers who do not write from facts but from “pre-conception” and from “authorial omnipotence”; holographs and annotations]

Writing a Memoir (3) [drafts of first chapter of “Miscellany”, December 1966; need to watch for sensitive information; need to know difference between personal knowledge and hearsay; annotations]

Writing a Memoir (4) [draft of chapter, January 1967; comments on how writers viewed George Washington; describes occasions when it was important to check out the facts; importance of accuracy; DDE mentions meeting he had with John F. Kennedy at Camp David and Kennedy’s remarks about changes he made to the Bay of Pigs operational plan; General Sherman’s role in Civil War; annotations]

Writing a Memoir (5) [most people want a simple narrative; publisher requested an essay on “acceptable methods of writing a memoir;” drafts of chapter or possible essay on writing a memoir, February 1967; a letter belongs to the person who writes it; writer needs to avoid using confidential advice or conversations without permission of those involved; annotations]

Writing a Memoir (6) [February 1967, draft of essay or chapter on Writing a Memoir; “Life is far more a matter of people than it is a series of facts”; annotations]

Writing a Memoir (7) [DDE comments on a columnist who decided that he made his presidential decisions by getting his advisors to reach a “unanimous compromise conclusion”; Ike decided that how he made the decisions was not as important as being right; drafts of essay or chapter; annotations]

Subseries F: Coalition Book Subseries, 1966-1972

55 Alliance Research Notes [notes and press release copies of speech by DDE to English Speaking Union, London, July 2, 1951, comments on call for truce in Korea, NATO and Western Europe, a united Europe to oppose the Communist threat; San Vaughan sends McCann a column by Stewart Alsop on the state of NATO or the alliance, 1967; “Peace with Freedom”, policy statement by the Citizens Committee for Peace with Freedom in Vietnam; DDE comments on the military coalition between the U.S. and Britain in WWII; holograph]

Miscellaneous Drafts (1) [comments on alliance in Europe from 1815 to 1822; drafts date from January 1966 to August 1967; NATO efforts in 1951, arrangements, organization, training, and operations; personal dealings with Churchill and Marshall; events in North Africa: holograph and annotations]

Miscellaneous Drafts (2) [drafts notes from June and August 1966; the NATO experience, efforts to get countries to commit troops to NATO. European leaders “wanted security, but were ready to trust its defense to a paper tiger;” politicians were unwilling to risk opposition by leftists and pacifists in fight over manpower and funds for NATO; French government changed so often it was hard to deal with them; Rene Plevin was a strong NATO supporter; Jean Monnet; Common Market; thoughts about a political union of Europe; other European leaders DDE saw as being helpful are Prime Minister Atlee of Britain, Prime Minister Beck of Luxembourg, and Henri Spaak of Belgium; DDE comments on struggle in U.S. between those favoring internationalism and those supporting isolationism; Senator Robert Taft, in meeting with Ike refuses to agree to concept of collective security for the North Atlantic Community; holographs and annotations]

Miscellaneous Drafts (3) [paper or chapter draft by DDE on alliance between Britain, France, and later U.S. that led to defeat of Germany in WWI; roles played by George Marshall and Fox Connor during; Connor considered “the brains behind Pershing’s management of American troops in World War I;” Marshall learned that plans and orders could not always be followed; mentions alliances in past history; paper on how various military leaders used their orders during the Civil War; additional notes for use on proposed book on coalition or alliances; the book was never completed; holograph and annotations]

Coalition Book, Early Draft, Introduction [the alliance during WWI, roles of Fox Connor and George Marshall; same document as in previous folder]

Coalition Book, Final Draft of Introduction (1) [DDE believed that the three key individuals in the U.S.-British alliance during WWII were Roosevelt, Churchill, and Marshall; Fox Connor was critical of the Treaty of Versailles after WWI, felt it could lead to another war; Connor believed Marshall would be an important leader in any future war; Marshall informed DDE that during WWII men would be promoted “for performance in positions of command;” roles of Churchill and Marshall in WWII; Marshall used “concept of efficient decentralization” in organizing U.S. forces overseas; friendship develops with Churchill; DDE and his staff developed early strategic plan, BOLERO, 1942; Churchill advocated the invasion of North Africa in 1942; Gen. Brooke indicated he opposed a land invasion of Europe, wanted to leave the ground fighting to the Russians; planning for Normandy invasion; annotations]

Coalition Book, Final Draft of Introduction (2) [comments on how the Allies worked to defeat Germany; roles of various leaders, Churchill, Marshall, Roosevelt, Admiral King, meetings at Malta, Cairo, and London; Churchill recites Whittier’s poem, *Barbara Fritchie*; OVERLORD preparations; annotations]

Coalition Book, Final Draft of Introduction (3) [Americans favored one commander for a mission or theater and British preferred a committee; difficulties with Montgomery; General de Gaulle; British favored changing the effort to capture Berlin; DDE did not see reason for this as political leaders of Allies had already agreed to divide Germany into zones and Berlin was in the Russian zone; post-war developments; relations with Churchill in the 1950s; Churchill favored a hands off policy in Southeast Asia; Churchill questioned allowing new nations to become independent “without viable economies or liberated populations;” last visits with Marshall and Churchill; annotations]

SHAPE-NATO, The Great Exception (1) [drafts of chapter on NATO, “another coalition;” Communist threat in Europe; struggle between Congress and President over size of U.S. forces to commit to NATO; Indochina causes drain on French resources, 1945-54; Communist Parties active in European countries, such as Greece, Italy, and France; idea of common weapon systems; French plan was to bring West Germany into NATO but not to allow it to develop large military formations of its troops; holographs and annotations]

SHAPE-NATO, The Great Exception (2) [drafts of chapter on NATO; logistic support of military units; annotations]

SHAPE-NATO, The Great Exceptions (3) [later drafts of chapter on NATO, Nov. 1967; differences on mobilization methods; politicians in various countries sought the

“easy way;” French sought U.S. help in Vietnam]

December Meeting, 1941 [first meeting of the Combined Chiefs of Staff; Gen. Alan Brooke was “mercurial” and “governed more by pre-conception and rigid concepts;” British method of command called for a commander-in-chief of the three elements, ground, air, and Navy for each theater, whereas Americans had only one commander-in-chief for a theater; U.S. military generally held that a commander should be independent of tactical supervision, whereas British Chiefs of Staff and the Prime Minister sought to have more influence over tactical matters and details; senior officers of all nations had a universal ego which saw all other nations as “woefully backward”; holograph and annotations]

Churchill-Marshall Draft, 7/15/66 [draft of chapter on Churchill and Marshall in WWII; DDE has never written about other individuals in any detail; chapter begins with several pages on the Civil War, comments on General Meade and his decisions at Gettysburg; comments on roles of Marshall and Churchill in leading the war effort; this draft is quite similar to the draft in the folders, Coalition Book, Final Draft of Introduction; annotations]

Churchill-Marshall, Draft, 8/5/66 (1)-(2) [draft of chapter on Churchill and Marshall in WWII; similar to the draft on the Coalition Book, Introduction; annotations]

- 56 Churchill-Marshall, Draft, Sept. 1966 (1)-(2) [this is a longer draft; influence of Fox Conner; DDE trip to London in Spring of 1942; Washington Conferences of the American High Command, Marshall was the dominant force; Churchill’s role at British conferences; strategic plan to defeat the Axis; President Roosevelt at first agreed with British that the head of OVERLORD should be British but later changed his mind and insisted on an American; Admiral King had suggested to the President that he keep Marshall in Washington and put DDE as head of OVERLORD; Churchill pushed for the Anzio project; Eisenhower opposed the division of Germany in the post-war period into zones; Battle of the Bulge; Charles de Gaulle; decisions in regard to final strategy of the war; annotations]

Churchill-Marshall, Draft, 11/1/66 (1) (2) [105 page draft; Eisenhower and McCann spent a lot of time on this book which was never finished or published; comments on Churchill’s understanding of the tangled political web in Italy; Lincoln’s reaction to people who thought their counsel followed “God’s will;” decision on Allied advance in Germany; annotations]

Churchill-Marshall, Draft, Undated (1) (2) [some pages are missing; DDE indicates he was part of a group of servicemen who participated in parades in Washington, New York, West Point, Kansas City, and Abilene; July 1951 Churchill attended a speech by DDE, in a letter he informed Ike that it was a great speech, because of a hearing problem he could not follow it but he had obtained a written copy; annotations]

Churchill-Marshall, Drafts of Inserts (1) [this folder has several DDE holographs, ranging from 3 to 11 pages and dated July or August 1966; one document describes the strategic planning by the Allies, including differing ideas between U.S. and British officers, General Brooke opposed the concept of a major land invasion of France; DDE attended Cairo conference and the Malta meeting, describes discussions and meetings he had with Churchill, Marshall, Admiral King, and the President; decisions on Italy and the Mediterranean; annotations]

Churchill-Marshall, Drafts of Inserts (2) [both typed with annotations and handwritten inserts, August 1966; describes meetings with Churchill; comments on General George Meade's leadership during the Civil War; notes on meeting President Roosevelt at the White House in January 1944; post-war policies re Germany; DDE urged both Churchill and Roosevelt to avoid dividing Germany into zones after the war; DDE thought Churchill had agreed to the OVERLORD concept in 1942 but in the spring of 1944 the Prime Minister indicated he was not optimistic about the invasion]

Churchill-Marshall, Drafts of Inserts (3) [typed with annotations and handwritten inserts, September 1966; comments on Fox Conner and his thoughts about Marshall; DDE discussions with President Truman on switching from military control to civil government in Germany; General Marshall stationed in China to assist the Nationalist Chinese; Churchill suggested to DDE after the war that U.S. should not be withdrawn from the Russian zone until the Soviets had followed all the terms of our agreements; Marshall as Secretary of State for Truman]

Churchill-Marshall, Drafts of Inserts (4) [mainly typed inserts with handwritten annotations, no dates; decisions re Anzio; organization of Army Groups in northern France; Montgomery; Bradley; European Defense Community; meetings with Churchill while President; Churchill comments with some of the new developing nations; comments on the last years of Churchill and Marshall]

57

Subseries G: *White House Years* Subseries, 1962-1966

White House Years, Book Background (1) [list of prospective quotes; lists of some of the foreign leaders DDE met each year; lists of DDE's location from 1956 to January 1961]

White House Years, Book Background (2) [lists of heads of state and heads of government that DDE met in the U.S. or in other countries, 1953-61; note to DDE re work on Volume Two; list and description of chapters in Volume Two]

White House Years, Drafts (1)-(3) [drafts have comments on DDE's return to the U.S. and the campaign of 1952 as well as the Inauguration, September to October

1965; NATO; Senator Taft; draft notes on overseas trips in 1959-60, January 1966; draft notes on 1957 Inauguration, health problems in 1956, events of 1957, including Little Rock incident; notes on final three years as President, Lebanon, Quemoy-Matsu, Khrushchev tours the U.S., Fidel Castro gains control of Cuba]

First Draft, Project Number One, Chapter I [proposed chapter titles for volume one, draft of chapter one dated October 11, 1962; comments on experiences at Columbia Univ. and NATO and people who were encouraging him to run for President in 1952]

First Draft, Project Number One, Chapter II [draft is dated November 15, 1962; DDE's return to the U.S., the nomination and the 1952 campaign]

First Draft, Project Number One, Chapter III [draft dated October 12 and 13, 1962; events of the 1952 campaign]

First Draft, Project Number One, Chapter VI [draft dated October 1962; death of Stalin; Middle East, Egypt and Britain and the Suez Canal; turmoil in Iran; Southeast Asia]

First Draft, Project Number One, Chapter VII [draft dated November 1, 1962; the situation in Korea and truce talks; truce signed July 27, 1953]

First Draft, Project Number One, Chapter VIII [chapter draft dated October 22-26, 1962; Republican majority very small in Congress; working with Congress; Jerry Persons, liaison with Congress; comments on divisions within the Republican Party, cutting taxes; Taft-Hartley Act; Martin Durkin; labor unions and collective bargaining; Durkin resigned because Eisenhower supported the section of Taft-Hartley gave the states the authority to determine the union shop issue; tidelands controversy; imports and exports; attempts at Congressional encroachment on the powers of the Executive Branch; Refugee Relief Act of 1953; death of Senator Robert A. Taft; Taft and DDE agreed on most domestic issues]

First Draft, Project Number One, Chapter VIII (a) [partial draft of Chapter VIII dated November 6, 1962; Rosenberg case; appointment of Earl Warren to the Supreme Court]

First Draft, Project Number One, Chapter IX [chapter draft dated November 9, 1962; describes the rooms in the White House and how they are used; roles of MDE and Mary Jane McCaffree and various aides; recreation, fishing, golf, and bridge; George Allen]

First Draft, Project Number One, Chapter XIII [chapter draft dated October 31, 1962; Dixon-Yates and the Tennessee Valley Authority; Hells Canyon Dam; electric power policy; the Rural Electrification Administration]

First Draft, Project Number One, Chapter XV [chapter draft dated Nov. 13, 1962; the development of NATO and the EDC; 1953, Germany joins NATO]

First Draft, Project Number One, Chapter XVII [chapter draft on the Geneva Conference of 1955, November 7, 1962; DDE gave radio talk before leaving for Geneva, a “quest for peace;” conference meetings; Marshall Zhukov was independent and self-confident in 1945 but looked subdued and worried in 1955]

First Draft, Project Number One, Chapter XIX [chapter draft on Quemoy and Matsu in 1954-55, dated May 24, 1962; Communist Chinese bomb the Tachen Islands; problems and differences on how to defend Formosa; Formosa Resolution; in the Formosa Strait in 1955 DDE refused to retreat and the enemy refused to attack, eventually the crisis cooled]

First Draft, Project Number One, Chapter XX [chapter draft on DDE’s heart attack and recovery, beginning September 24, 1955, November 1, 1962]

58

Subseries H: Miscellaneous DDE Writings Subseries, 1964-1968

Proposed Books [outlines for two books they have abandoned—the Alliance Book or Churchill-Marshall and the “Bag of Worms” Book; outline for new book on the Cold War; note by McCann re work on the book]

Miscellaneous Drafts (1) [chapter draft comments on election of 1960 and his post-presidential life, May 23, 1966; during trip from White House to Gettysburg, DDE and MDE stopped at St. Joseph’s College in Emmitsburg, Pennsylvania; current situation not normal (Vietnam), critical of those who think we can wage war as a “secondary concern;” Ike feels we should have guns with less butter in time of conflict; “the morale of those who fight... is dependent for its continued strength on the mood, the attitude, the patriotic posture of the home front;” favors increased taxes to pay for war expenses; disturbed that there are many citizens who think it is important to beat the Russians to the moon; expresses concern for people who confuse license with liberty; lack of rules of decency; reasons for the formation of NATO]

Miscellaneous Drafts (2) [this draft starts out the same as the draft in the previous folder, but then contains various changes, May 26, 1966; January 20, 1961 Secret Service agent drove them to Gettysburg; comments on retirement, space exploration, the Constitution; quote, “a house... cannot endure on a foundation of sand;” unrest on university campuses; annotated]

Miscellaneous Drafts (3) [part of a chapter draft; comments on universal education; self education used to be an important way to learn; “We rate the symbols of

education higher than its substance;” Washington and Lincoln, growth of knowledge; role of the people in the political system; dislike for intellectuals; devotion to principles; disorder on college and university campuses; “cloak of indifference”]

Miscellaneous Notes [U.S. melting pot has become a “seething caldron of animosity;” political campaigns have become “emotional orgies;” article by Lloyd Mallan on how to win the Vietnam War; quote by John Gardner on the importance of middle-of-the-road Americans]

Miscellaneous Item 133 [memo to McCann, September 9, 1965, re 2 incidents while DDE was Chief of Staff, trip to Brazil and Mexico, given plates that had belonged to Napoleon, trip to Vicksburg, Mississippi, and to Alaska, difficulties in landing, search for oil- “hopeless;” story re General DeGaulle right after WWII, tried to avoid inviting British officers to a dinner; Forrestal, first man to warn DDE to be wary of dealings with the Russians during the war, decision on developing the B-36; memo, August 4, 1966, story re inspection of guayule rubber industry in 1930 and the recommendations in DDE’s report; memo, September 21, 1966, story by DDE, President Truman said he was considering General Marshall and Ike for the position of Secretary of State; annotations]

Item 141 [September 22, 1965, DDE describes incident while he was Army Chief of Staff, President Truman informed him that he was responsible for all promotions, demotions, and assignments of personnel, later White House Staff members tried to get involved in making recommendations and the President told DDE to ignore them; annotations]

Item 159a [brief account of being sworn in twice at his second Inauguration and plan that upset the Chief Justice; annotations]

Item 159c [memo on his heart attack in 1955 and his decision to run again; Paper on the events and problems of the last three years of his presidency , including economic recession of 1958, Republican losses in 1958 election, death of John Foster Dulles, space exploration, ballistic missiles, and relations with Europe, South America, and the Far East; paper on trips to Europe, Mid East, and Asia, comments on Kashmir problem; paper commenting on events of 1957, Suez, Sputnik, foreign aid, need for constructive propaganda programs, Little Rock, suffered a stroke in the fall; later drafts of the same documents mentioned above; January 1966; quote re 1959 overseas trip, “Almost without exception the countries that I visited were over-populated;” overseas trips led to his change of opinion on birth control; importance of education; DDE questions those who see no problem in running up the nation’s debt, “new economics”; quote, “Knowledge in itself is not wisdom.”; new religion movement, “God is dead”; annotations]

Item 161(1) [March 1966, two drafts of a paper; comments on reaction of people and

countries not to help those being threatened or in need; U.S. can't just live for itself; role of television in future communications; problems with Castro and with Laos; mentions reference to "military-industrial complex" in his Farewell Address, "the armament industry itself consumed a large portion of our valuable man-hours and resources;" retirement at the farm in Gettysburg; post-presidential political activities; letters averaged 175 letters a day during first four years of retirement; 2nd heart attack in 1965; meetings with Kennedy and remarks concerning dealing with Communists and civil rights legislation; meetings with Pres. Johnson]

Item 161 (2) [another draft of the same paper]

Item 162 [April 6, 1966; brief paper commenting on war in Vietnam, DDE opposed waging war as a secondary concern; a nation must support its fighting men]

Item 163 [parts of drafts #3 and #5 of paper. March 29, 1966, title, "Some Thoughts for Final Comments in Book;" opposes giving as high a priority to domestic programs as to the war in Vietnam; 'Filthy speech movement;' decline in morals and manners; need to promote loyalty and integrity]

Cold War Opening Chapter [comments and suggestions by Sam Vaughn on the first chapter; chapter title, "My Introduction to the Cold War;" Army War College lecturer, Father Edmund Walsh, comments on threat of Communism, 1927-28; DDE sees signs or billboards in Paris that are anti-U.S., 1928; Lenin used different methods to gain domination over other countries; WWII-aid to Russians; Russian delegation came to North Africa to visit battlefields; Marshal Zhukov wanted DDE or his son, John, to accompany him on trip to U.S.; in 1959 Khrushchev refused helicopter trip around Washington until Ike agreed to accompany him; fearful attitudes and no "Give and Take" at meetings; incidents during and after WWII developed belief that Russians could not be trusted; Russians in Berlin area utilized bad manners and made numerous complaints, 1945; Zhukov explained to DDE that the Russian Army when confronted with a field of Nazi personnel mines simply marched the infantry through it; DDE concerned about Soviet scheming and hostility toward us, 1945-46; Churchill comments in 1946 on the dangers of Communist expansion, "Iron Curtain" speech; DDE lists various efforts by Soviets to expand their influence; annotations]

Final Chapter (1) [drafts from April and June 1966; the Constitution is the foundation of our government; due to high costs of Vietnam War DDE felt we should have "guns, with less butter;" opposed the priority of the race to the moon; complains about anarchy, licentiousness, and lack of decency; "an illogical thinking that appears to confuse license with liberty;" a decline in morals and manners; expresses hope for the future; annotations]

Final Chapter (2) (3) [early drafts from February and March 1966; "Some Thoughts for Final Comments in Book;" comments on meetings with John F. Kennedy and

discussion of methods of dealing with Communists; meetings with President Johnson; reference to his farewell address and the problem of the “military-industrial complex” which could damage our freedoms; annotations]

Drafts, *At Ease* (1) [dictation, January 8, 1965; the trip to West Point and his first year at West Point; comments on fellow students, Paul A. Hodgson, Tommy Atkins; Beast Barracks; annotations]

Drafts, *At Ease* (2) [drafts on portions of chapters III, V, VIII, and XII; November 1964 to January 1966; school system in Abilene; drop-out rate, 67 were in DDE’s class as freshmen at Abilene High School and 31 graduated four years later; his experiences at football at West Point, Tufts game; Camp Meade, training with Renault tanks and the Mark VIII; comments on WWII, in regards to war, “no problems are thereby enduringly solved;” use of radio in wartime; holographs and annotations]

Drafts, *At Ease* (3) [draft for chapter XIV, September 1965; drafts of other materials from March 1965 and November 1966; marriage and finances; story of his battle with a gander on his uncle’s farm; indicates he became interested in painting as a hobby in 1948 shortly before leaving the Chief of Staff Office; his first painting was of Mamie, copied from painting by Thomas E. Stephens; how he began as a painter; destroys about 2 out of 3 paintings he starts; fishing trip to Moisie River Salmon Club, 1950, DDE catches a 31 pound salmon; comments on events of WWII, demobilization after the war; trip to Far East as Chief of Staff; compares working in the Pentagon and the White House to “glass bowl living;” efforts at writing *Crusade in Europe*; holographs and annotations]

Drafts, *At Ease* (4) [drafts of chapter XII, June-July 1965; WWII developments in North Africa; battle of Kasserine Pass; Casablanca Conference; invasion of Sicily and Italy; OVERLORD; George Patton; Winston Churchill; invasion of Normandy; National Zones of Occupation in Germany had already been decided on, reason DDE saw no need to rush to Berlin; holographs and annotations]

Drafts, *At Ease* (5) [drafts of segments for Book III, October 1964; McKinley political parade in Abilene, 1896; account of Edgar injured while cleaning the stables; the move from one house to final home in 1898, also uncle’s views on the war with Spain; chores by him and his brothers; holographs and annotations]

Drafts, *At Ease* (6) [drafts of segments or background, January 1966; in 1930 assigned by Assistant Secretary of War Frederick Payne to conduct a study of guayule rubber production; rebuilding their house on the farm at Gettysburg; vacationing in southern California; Eisenhower Exchange Fellowships; Republican political attitudes in the 1950s; Geneva Conference, 1955; holographs and annotations]

Drafts, *At Ease* (7) [text of tapes 7, 60, 63, and 64 and Items 26 and 21, 1965; support for appointment to West Point; Abilene people, Engle, Dudley, and Bob Davis; Davis taught him fishing, shooting, and how to play poker; experiences at West Point; officers Eisenhower worked under from February 1940 to December 1941; work in the War Department in 1942; sent to London to command American forces; annotations]

At Ease Editing [notes; memos re contents of book; outline for the book; lists of work to do on the book]

At Ease Notes [notes on Mamie's role in DDE's life, questions to ask her; notes on DDE's family history; list of 180 incidents that had remained "stuck" in Ike's mind; lists of distinguished men, generals he served under, classmates, and soldiers and sailors]

At Ease Outline [lists of five books or twenty chapters; notes]

At Ease Reviews [clippings of reviews of the book by Stan McNeill, Leverett Saltonstall, William C. Heine, Edgar L. Jones, E. D Ward-Harris, Charles Wolverton, June-July 1967]
